Bio for Joe Cantalupo:

I would like to remain on the OBVTA Board of Directors as I am very interested and concerned as to what happens in Ortley Beach.

I have owned property here since 1960, my wife's family has been here since 1945. I served on the Planning Board of Union Township for 34 years and can use that expertise to improve Ortley Beach.

Presently I am serving as a commissioner on the New Jersey State Board of Electrical Contractors.

I believe I can be an asset to this board and, to members of OBVTA, and to the Ortley Beach community.

Bio for Mike Wymbs:

I am passionate about making Ortley Beach a better place to live and spend the summer. We have owned in Ortley Beach for 33 years.

I am one of the longest running OBVTA board members and have been on the board for over 15 years.

Given my time here in Ortley Beach I know the issues and know what it takes to make Ortley Beach a great neighborhood.

I have been highly active in OBVTA initiatives including obtaining the OCUA property as open space for public use, the raising of Washington Ave. to reduce flooding and in dune and beach replenishment project.

I will continue to fight for Ortley Beach in the future to achieve even better things for our community.
